This space on the first page of the tax return is to be used only when specifically instructed by the Department of Revenue. Otherwise, leave blank.

Important notice: If you received a federal extension (Federal Form 7004) to file your federal partnership tax return for this period, you do not need to file a separate state extension, unless you wish to file your return after October 15, 2009.

By completing and submitting the form below before May 15, 2009, you can extend the date to file your Louisiana Composite Partnership return or your Louisiana Team Composite Income tax return until November 16, 2009.

For fiscal year filers, please indicate the fiscal period below. The due date for fiscal filers is the fifteenth day of the fifth month after the close of the fiscal year. By completing this extension request, you are requesting a 6-month extension to file past the due date.

By filing this extension, you are requesting only an extension of time to file. This form does not grant an extension of time to pay the tax due. Payments received after the return due date (generally May 15, 2009) will be charged interest and late payment penalty.

**You may be able to file your extension on our website at
www.revenue.louisiana.gov.**
